**THIS IS NOT A BILL – BILLS WILL BE MAILED IN JULY**

## Hilliard Trash Collection Fact Sheet Effective July 1, 2016 – June 30, 2017

### Recycling Saves Money

Recycling preserves the environment, saves energy, keeps recyclable materials out of landfills and creates and maintains local jobs. Increasing our recycling rate by 1% saves money. This savings is passed to residents in the following service year.

### Tuesday Waste Collection

Trash, recycling and solid yard waste must be placed outside for collection between 5 p.m. Monday and 7 a.m. Tuesday. If a holiday falls on a Monday or Tuesday, collection will be on Wednesday. From December 1 to February 28, yard waste is not collected separately and can be merged with other solid waste.

### Senior Discount

Residents who are at least 65-years-old on or before June 30, 2016 (born before June 30, 1951) can get a senior discount. Visit [www.hilliardohio.gov/trash](http://www.hilliardohio.gov/trash) to download an application or visit City Hall at 3800 Municipal Way. If you already have the senior discount, you do not need to reapply.
