

3800 Municipal Way • Hilliard, Ohio 43026-1696 • Municipal Offices (614) 876-7361 • FAX (614) 529-6017

The City of Hilliard Operations Division is geared up and ready to take winter by storm. Hilliard Snow Fighters have prepared for winter by checking snow plow equipment, storing salt and salt brine materials, attending snow and ice control training, and performing practice runs of assigned snow routes. The City of Hilliard Snow Fighters want to team up with residents to provide effective snow removal by offering the following **tips**:

- Try not to drive during a winter storm unless absolutely necessary.
- Use extra caution when driving in wintry conditions.
- Allow extra time to reach your destination.
- Fasten your seatbelt and check that all passengers are buckled up.
- Stay 100 feet or more behind snow plows and salt spreaders.
- Give snow plow equipment the right-of-way whenever possible.
- Leave enough distance between the snow plow equipment and your vehicle before moving back in front of the plow.
- Do not attempt to stop City snow plow trucks or operators. Requests for service may be made by calling (614) 876-7361.
- Remove vehicles from in front of homes as snow begins to fall. Please keep all vehicles in private driveways when possible.
- Advise children against playing or building snow structures in or near City streets.

Information regarding the City's snow and ice control policy and quadrant snow route map can be found on the web at:
