SPEED TRAILER REQUEST

The City of Hilliard currently has one speed trailer to monitor traffic speed on our roadways. Completing this form does not guarantee that the speed trailer will be deployed in your area immediately. However, it does help the police department identify problem areas. The number of requests received in a particular area, the severity and frequency of the speed in the past, children at play or walking to school are only a few factors which help an officer for the Hilliard Division of Police decide where to deploy the speed trailer.

I would like an officer to contact me about this problem.

List any specific circumstances that might assist the police department in addressing the problem.
(Example: Speeding in general, problems with a specific vehicle, etc.)

Thank you for helping the Hilliard Division of Police!
