

Hilliard Municipal Pools Group/Day Care Policy

Our number one concern is the safety and wellbeing of all of our guests. Day Cares, Day Camps, and large groups frequently bring children to our outdoor pools during the summer. With hot weather and crowded days, we feel additional supervision of these children is imperative. Please make certain you have the required adult supervision before coming to the pool to avoid disappointment of group members.

- Children ages 4 years and younger and all children wearing a flotation device must be within arm's reach of an adult at least 18 years or older in the water, in a swimsuit, at all times. Usage by groups requires 1 adult supervisor for every 2 children ages 4 years and younger/wearing a flotation device.
- Children ages 5-9 years must be visually supervised by an adult at least 18 years and over at all times. Usage by groups requires 1 adult supervisor to every 5 children ages 5-9 years.
- Children ages 10 years and older may swim without an adult supervisor.
