

Phase 4 (Summer 2019) – Gray

Scioto Darby and Leppert Road Improvements | City of Hilliard, Ohio

What is Happening?

- Final paving, raised crosswalks at the roundabouts, final pavement marking, landscaping, seeding and mulching.

How Does It Impact Me?

- Rolling lane closures for final paving and marking will occur during off-peak hours. Expect delays throughout the project.
- All work that impacts traffic is scheduled to be complete by the first day of the 2019-20 school year.
