Racially Targeted Propaganda will not be Tolerated in Hilliard

The City of Hilliard has been made aware of racially targeted fliers and stickers that have been posted on street signs in nearby neighborhoods. The Mayor and City Council are disturbed by this action and would like to release the following statement:

“We would like to clearly convey that racism and hateful messages will not be tolerated in our community. The City of Hilliard fully supports racial equity and firmly believes that diversity makes our community a better place.

With that being said, the hateful propaganda was not found within the City of Hilliard – it was found in the City of Columbus. Hilliard Division of Police have not received any reports of racist fliers being dispersed. However, we are aware that even though these hateful messages were not found in Hilliard, they were found nearby and still effect our schools and greater community.

This is a very important issue to the City of Hilliard and it will be taken seriously. We want to ensure that all residents of Hilliard feel safe.”
