To the Citizens of the City of Hilliard

Chief's Message

I am pleased to present the 2015 Annual Report for the Hilliard Division of Police. This report provides a summary of the agency's activities, accomplishments and challenges.

I am a proponent of progressive ideas, the empowerment of officers, and continuous improvement. As the agency's CEO, I know that our effectiveness relies on the efforts of every employee, from our support functions to my command staff. To that end, we invest our time and attention in hiring, training and promoting the very best.

Just this year, we hired four new officers and four new clerks, sent first-line supervisors to the Police Executive Leadership College and the Certified Law Enforcement Executive program, and promoted an officer to the rank of sergeant.

As laws, technologies and times change, we must adapt by implementing new strategies and policies. Intelligence-led policing is one of our priorities. We use data-driven analyses to identify "hot spots" where crime is occurring and build on that foundation with system upgrades like our new Records Management System that will foster in a new era of efficiency in our Records Unit.

I have a great desire for this agency to be the very best. Every decision I make is predicated on the understanding that we will do what is best for this community, this agency, and the people who work here. This report details statistics that document crimes, crashes and calls for service. It also shows something more important: our teamwork with the many individuals who make up our community. That's what it is all about—building relationships and working together to make this community the very best!

I am honored to lead the Hilliard Division of Police, to work with Mayor Don Schonhardt and the representatives of our city, and to implement a vision that will make 2016 our best year yet. Please read about our successes, our challenges, our people, and our possibilities, and let me know how we're doing!

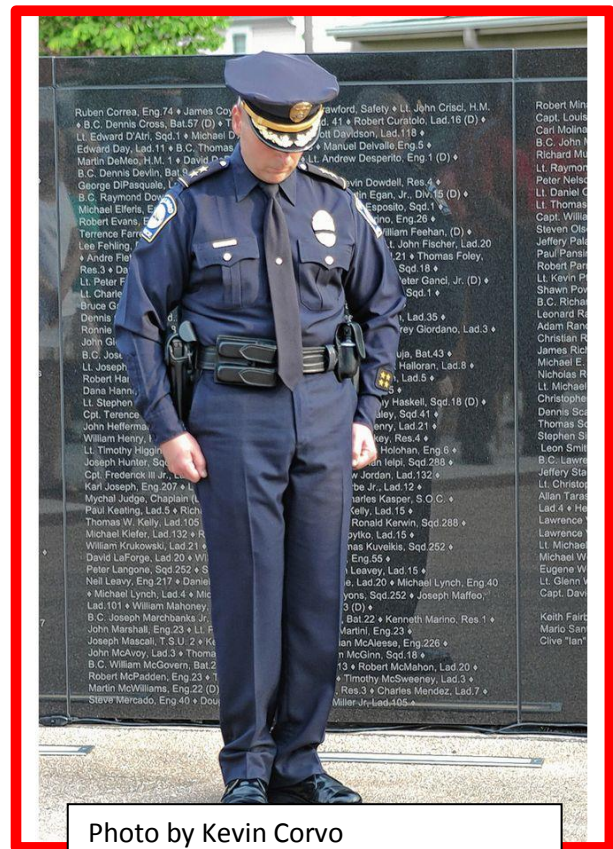

Best Wishes.

Justin Cramer was promoted to sergeant later in the year. Justin had served as a Field Training Officer for many of our newer officers.

NEW HIRES

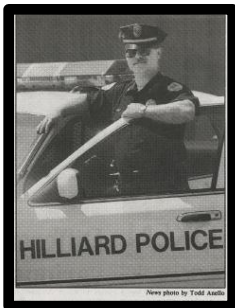

At left, Officers Kristen Winter and Randall Pugh graduated from the police academy early in the year. At right, Chief Fisher welcomes new officers Maggie Reed and Curtis Myers. They will graduate from the academy in January and enter their respective Field Training Programs.

New officers Johnathan Hitchings and Tyler Harris and new clerks Nancy Hutchison and Tammie Booth also joined the team.

City of Hilliard - Total CFS

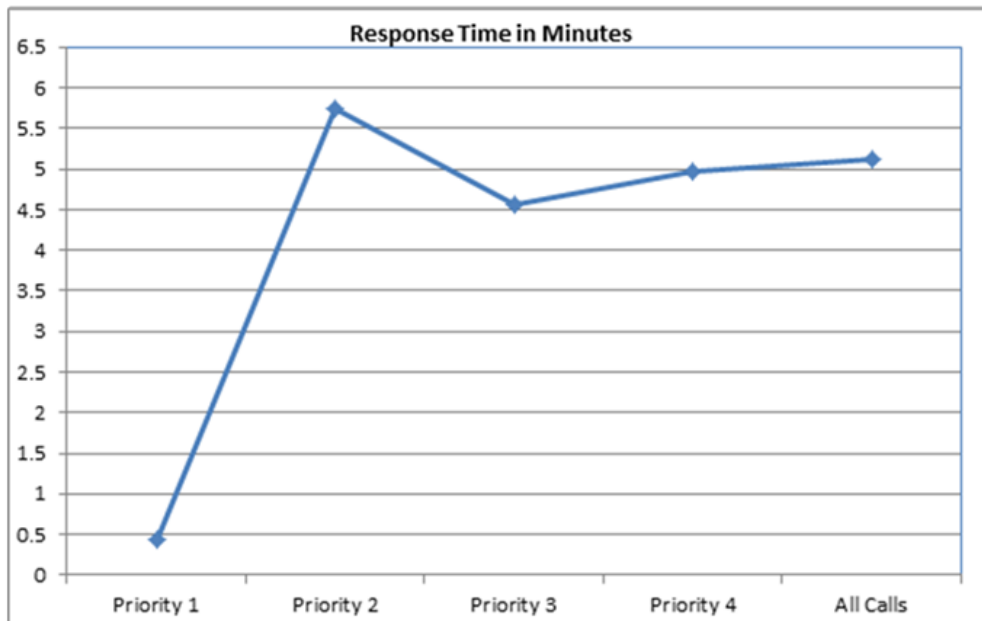

Norwich Township - Total CFS

***Are Calls for Service actually decreasing? Unfortunately, no. As part of our transition to using NWRECC for dispatch services, we calculate CFS numbers differently. Previously, case follow-ups received a new CFS number; now, each and every follow-up does not; it is simply added to the original CFS.**

****Primary Jurisdictions shown on graphs**

Response Time Summary

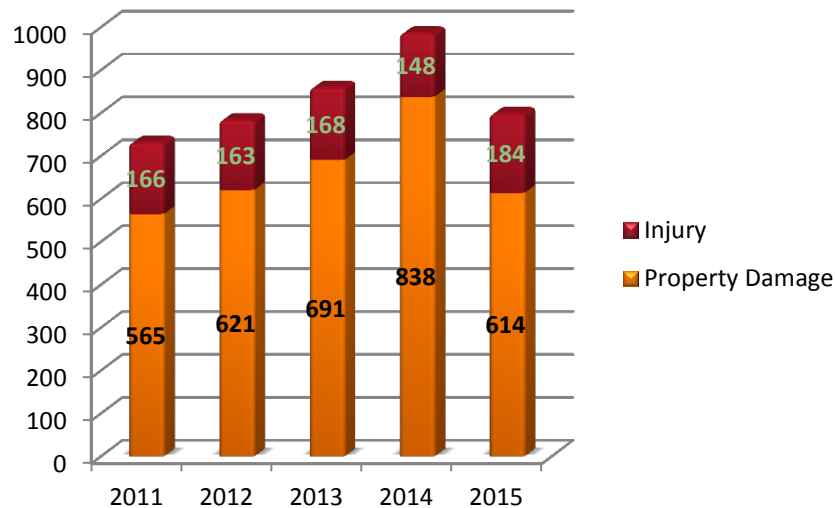

The Division of Police categorizes calls for service into four levels of response. Each level of response is prioritized based on the urgency of the call for service requested. Life threatening situations are considered a Priority 1 response and warrant the most expedient response. Priority 2 responses are reserved for serious threats of physical harm, crimes in progress and auto accidents. Priority 3 and 4 calls are considered routine and usually consist of criminal report requests, animal complaints and traffic complaints.

Bureau Commander Lt. David Plesich insists on transparency in the delivery of police services. Part of that commitment is making sure that local media have access to him and his staff. David visited the 10 TV studios this year to record an interview regarding the hot topic of police detentions of citizens.

At right is a typical SIU seizure: weapons, money and illegal drugs. The problem of illegal drugs is a societal problem and, unfortunately, Hilliard is not immune.

Canine Unit

Ofc. Tony Larosa and Kane are pictured. Kane assisted OSP on a very large seizure of marijuana.

Citizen's Police Academy

Class #7 completed their training and the graduates joined our team of alumni who

assist us with all kinds of important tasks at the station and in the field. Although we call it a "police academy," we are blessed to work with the Norwich Fire Department to ensure that our students are well-versed in medic and fire response and actions, too.

Women's Self-Defense

Another program in great demand is the Women's Self Defense Beginners and Advanced classes.

Honor Guard

The HPD Honor Guard performed the presentation of the colors before the Columbus Blue Jackets game at Nationwide Arena. It was Law Enforcement Appreciation Night. This is a distinguished honor for the members of the Honor Guard and a great opportunity to represent the City of Hilliard. We performed the presentation just prior to the game.

Explorer Post #2286

One of the ways we engage with local youth is through our very successful Explorer Post. These young men and women may eventually become police officers.

Safety Town

Each summer, HPD and Norwich Fire work with young folks teaching them safety essentials like crossing the street.

School Safety Forum

Chief Bobby Fisher works with the HPD team that partnered with HCS to redefine safety response protocols.

Chamber of Commerce K9 Donation

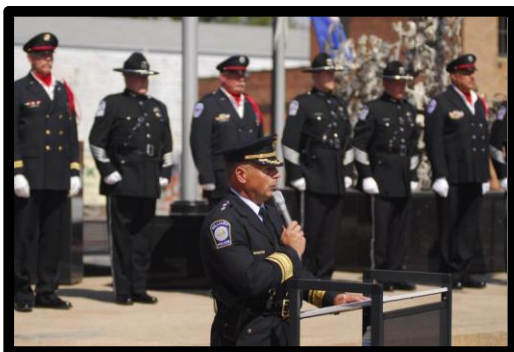

We are blessed to have three of the finest canine officers in the state working for us. These handlers know that their partner canines will do anything to protect them, so we are pleased to return the favor and wrap our furry officers in bullet resistant vests.

Police Officer Memorial

Hilliard High School singers graced us with some outstanding music at the annual Police Officer Memorial held on May 15. The City honored all of the officers that have been killed in Ohio.

9/11 Memorial

Chief Bobby Fisher is flanked by the NTFD and HPD Honor Guards as he brings the crowd to tears with a moving speech invoking memories of 09/11.

Service Awards

At left, Chief Fisher and Mayor Don Schonhardt congratulate Ryan Turner for his MADD Award for TOP COP! At right, SRO Jon Gleason receives the Hilliard Education Society Friend of Education Award.

Special Olympics Torch Run

Each year, the Division participates in the Special Olympics Torch Run. Every year the participation grows!

National Night Out

Det. Glenn Rogers took this year's event to the Beacon Sub-Division. An event like this takes many hands to make it happen. We are grateful to Target, NTFD, our CPA Alumni, and all of our great friends who stopped by! That is Canine Sgt. Doug Lightfoot talking with local celebrity Kevin Corvo.

OVI Taskforce

HPD takes a stand against drunk driving by holding several OVI checkpoints throughout the year. These volunteers provide much needed manpower to make them successful.

Parades

HPD is honored to participate in several parades throughout the year, including St. Patrick's Day, July 4, and Veterans Day.

CRASE Training

At left, Sgt. Suzanne Muraco and Ofc. Hyda Slone work with the Franklin County Sheriff on Civilian Response to Active Shooter Events.

BMW DRIVING CLINIC

At right, Ofc. Slone and Ofc. Andy Anderson work with BMW to train drivers to keep our roadways safe.

Business Appreciation

Ofc. Ron Burkitt thanks Texas Roadhouse for their assistance with our Citizens Police Academy.

Hilliardfest

Can it get it any better?
We love shutting down
the streets of Old
Hilliard for a day crafts,
food, sun and fun!

Shop with a Cop!

Sgt. Curtis Baker initiated our first Shop with a Cop event and it was awesome! Some said it was the best day of their lives. And the kids loved it, too!!
