

ADDENDUM NO. 1

Franklin Street Improvement (CIP T-138)

CITY OF HILLIARD
DEPARTMENT OF PUBLIC SERVICE/DIVISION OF ENGINEERING
3800 MUNICIPAL WAY
HILLIARD, OHIO 43206

ADDENDUM NO. 1 – DATE: June 17, 2019

To All Bidders:

This Addendum amends or supplements the original specifications and related documents for this project. Please include a copy of this Addendum with your bid submission to prove receipt of the Addendum and its terms. Note that plans will not be reissued as part of this Addendum.

1. Paint Change

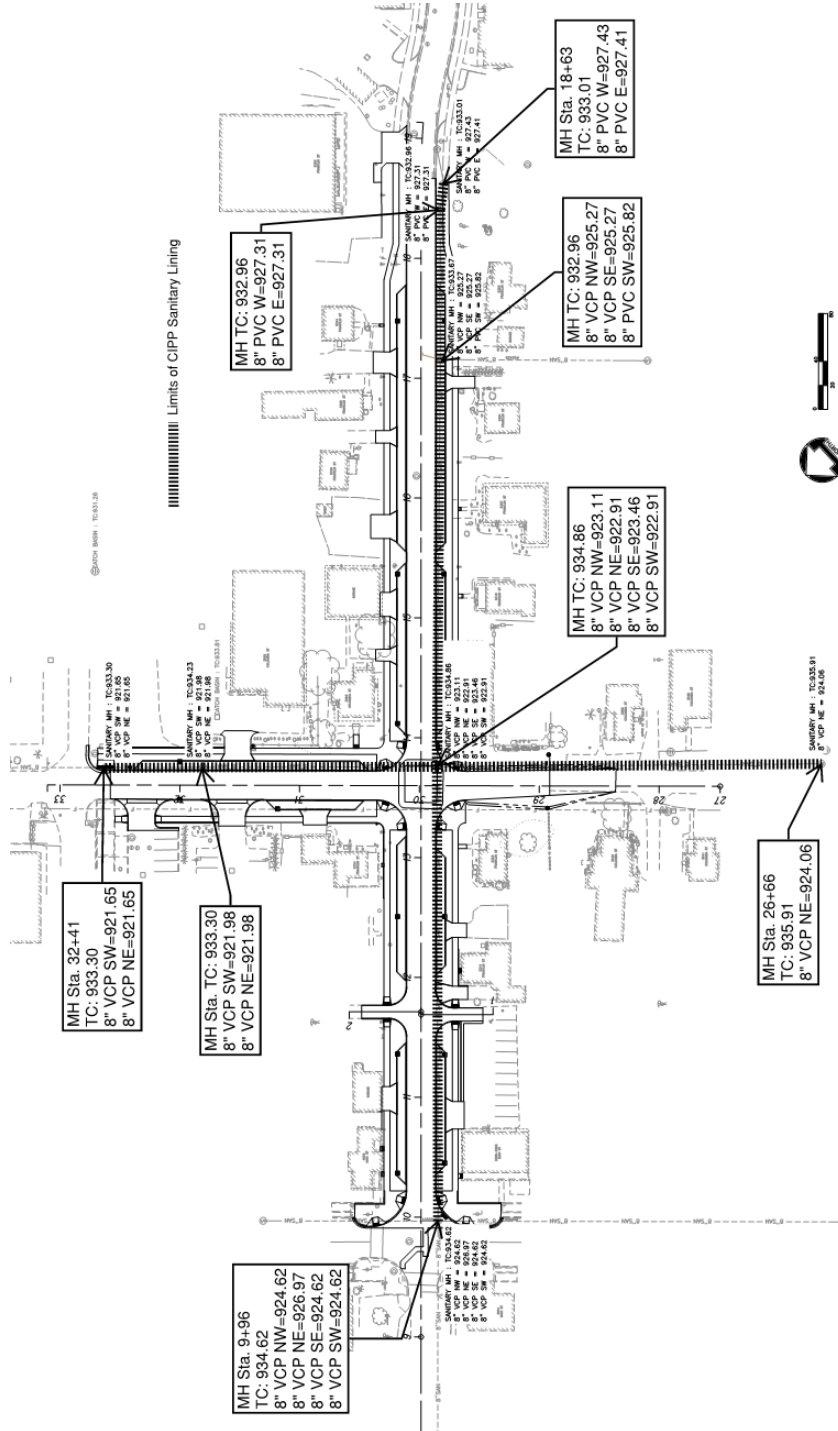

On page 69 of the plans, change the Item 646 – Speed Hump Marking, Qty – 8 EA to Item 644 – Speed Hump Marking, Qty – 8 EA. This will change the speed hump marking from epoxy to thermoplastic. This change will also carry through to sheet 11 of the plans. In Appendix A – Bid Schedule, line item 147 has been revised accordingly and page 25 of 30 of Appendix A is reissued with this addendum.

2. BMP 4" to 6" Underdrain

In Appendix A – Bid Schedule, line item 64 has been revised from Item 605 – 4" Pipe Underdrains, 720.07 to Item 605 – **6"** Pipe Underdrains (Perforated), 720.07 to align with the general summary. Page 11 of 30 of Appendix A is reissued with this addendum.

3. CIPP Sanitary Lining

The attached exhibit illustrates the extents of the CIPP lining as well as lists the existing invert information. The lining is from Franklin St: Sta 9+96 to Sta 18+63 = 867 LF; Columbia St: Sta 26+66 to Sta 32+41 = 575 LF.

Franklin Street Improvement (CIP T-138) – Addendum No. 1

4. **Time Extension**

Bid due date and time remain unchanged.

This Addendum shall be considered in submitting your bid and shall be attached to Appendix A - Bid Schedule and made a part thereof. **Please sign and date below and include as part of your bid submittal to acknowledge receipt of Addendum No. 1.**

Please direct any questions regarding this process to Letty Schamp, P.E., Deputy City Engineer, at lschamp@hilliardohio.gov.

Letty Schamp, P.E,
Deputy City Engineer
