Hilliard Trash Collection Fact Sheet

Effective July 1, 2019– June 30, 2020

Recycling Saves Money

Recycling preserves the environment, saves energy, keeps recyclable materials out of landfills and creates and maintains local jobs. Increasing our recycling rate by just 1% saves money and this savings can be passed on to residents.

Tuesday Waste Collection

Trash, recycling and yard waste must be placed outside for collection between 5 p.m. Monday and 7 a.m. Tuesday. If a holiday falls on a Monday or Tuesday, collection will be on Wednesday. From December 1 to March 31, yard waste is not collected separately and can be merged with other solid waste.

Senior Discount

Residents who are at least 65-years-old on or before June 30, 2019 (born before June 30, 1954) can get a senior discount. Visit www.hilliardohio.gov/trash to download an application or visit City Hall at 3800 Municipal Way. If you already have the senior discount, you do not need to reapply.
