Police Officer Selection Process Summary

The following is an outline of the various phases in the Police Officer Selection Process:

WRITTEN EXAMINATION - Each qualifying candidate will be notified as to the examination date, time and location. The Hilliard Human Resources Department conducts the examination. Photo identification will be required prior to admittance into the examination room. A remote examination may be administered at the determination of the Human Resources Director. The written examination may be waived for applicants who are currently employed as a full-time peace officer in the State of Ohio or are graduates of the Ohio Department of Public Safety College to Law Enforcement program.

ELIGIBILITY LIST - The Human Resources Department will notify candidates who successfully pass the written examination. Upon receipt of notification from the Division of Police to fill a vacancy, the Human Resources Department shall certify the names and addresses of the top candidates standing highest on the eligibility list.

PHYSICAL FITNESS EXAMINATION - Each candidate will be required to pass the Cooper's Institute Standards for Law Enforcement Physical Assessment test. The performance requirement is that level of physical performance that approximates the 15th percentile for each age and gender group, based upon the candidate's gender at birth. (See the attached addendum for these standards.) The top candidates who pass the written examination will be notified of when and where to appear for these tests.

SCREENING COMMITTEES - The Division utilizes multiple screening committees to interview the top candidates. These committees may include representatives of the Hilliard Division of Police, local citizens, school and community leaders. Each committee will then make recommendations to the Chief of Police as to each candidate's position on the list.

POLYGRAPH / CVSA EXAMINATION - A polygraph or CVSA examination will be administered to each candidate. A trained and certified examiner will administer the polygraph/CVSA examination. The results of the polygraph/CVSA exam will not be used as a single determinate of employment status. However, any finding of deception to relevant questions during any part of the polygraph/CVSA exam may eliminate the candidate from further consideration.

COMPLETE BACKGROUND INVESTIGATION - A thorough background investigation will be initiated on each candidate. The purpose of the background investigation and record check is to assist the City in reaching a determination regarding each candidate's suitability for employment. Each candidate must sign a release authorizing an investigator to obtain personal, legal, civil, work, credit history or any other information deemed pertinent to the background investigation.

The Division will check for criminal, civil and traffic records. Each candidate's name will be entered into state and national computers for warrants and records. Fingerprints will be taken for each candidate and submitted for state and federal screening.

Findings of the investigator may be used in combination with the results of other phases of the process in determining whether a candidate should be disqualified from the process or should be given further

consideration. The findings of the investigation may be used as a reason for disqualification from the process if the nature of these findings warrants disqualification.

The background investigation will consist of, but not be limited to, the following:

- Verification of the candidate's credentials, education, achievements, past and present employment, age, residence, citizenship, and driver's license.
- Interviews with past and present employers, neighbors, school officials, and personal references.
- A review of each candidate's history, i.e., family, military, gambling, credit and substance abuse.
- Criminal, traffic and civil court history.

FINAL INTERVIEWS – A list of candidates passing the background investigation will be presented to the Chief of Police for consideration. A series of final interviews will be conducted by the Chief of Police and may be attended by other representatives of the City of Hilliard, including but not limited to, the City Manager, Human Resources Director, and other officials as determined by the City. The purpose of these interviews is to select a final candidate or candidates for employment with the Division of Police. After these interviews the Division will make a conditional offer of employment to the top candidate(s) contingent on the ability to pass a medical examination, including drug screen and psychological examination.

MEDICAL EXAMINATION - A complete and thorough medical examination and stress test will be conducted on each candidate to whom a conditional offer of employment has been extended. A licensed physician will conduct the medical examination. The medical examination will be conducted for the purpose of ensuring that a candidate possesses the general health status necessary to perform the essential job functions of a Police Officer and that no medical condition exists that would pose a direct threat to the health or safety of themselves or others. Generally accepted medical and health standards will be the basis of this examination process. The following medical standards are minimum requirements for performing the essential job functions:

- No current clinical diagnosis of myocardial infarction, angina pectoris, coronary insufficiency, thrombosis, or any other cardiovascular disease of a variety known to be accompanied by syncope, dyspnea, collapse, or congestive cardiac failure
- Vision requirements are based on vision acuity, depth perception and color perception. Distant visual acuity of at least 20/20 (Snellen) in each eye without corrective lenses or visual acuity separately corrected to 20/20 (Snellen) or better with corrective lenses. Distant binocular activity of a least 20/20 (Snellen) in both eyes with or without corrective lenses, field vision of at least 70 degrees in the horizontal in each eye and must be free of any other eye disease or color deficiencies.
- No loss of a foot, leg, hand, arm, or eye.
- No impairment of a hand, fingers, arm, foot, or leg, or other significant limb or limitation which interferes with the ability to perform the essential job functions.
- No established medical history or clinical diagnosis of a respiratory dysfunction.

- No current clinical diagnosis of high blood pressure. (NOTE: If candidate's blood pressure exceeds acceptable limits, candidate should be advised to seek medical treatment and, after three (3) months of treatment, they may be reexamined for certification under this standard should another position for police officer become available.)
- No established medical history or clinical diagnosis of a rheumatic, arthritic, orthopedic, muscular, neuromuscular, or vascular disease.
- No established medical history or clinical diagnosis of epilepsy or any other condition which is likely to cause loss of consciousness.
- Hearing - Perceives a forced whispered voice in the better ear at not less than five (5) feet with or without the use of a hearing aid, if tested by use of an audio metric device. Does not have an average hearing loss in the better ear greater than 40 decibels at 500 Hz, 1,000 Hz, and 2,000 Hz with or without a hearing aid when the audio metric device is calibrated to the American National Standard.
- Does not use a schedule I drug, amphetamines, narcotics, or any other habit-forming drug, except such use as prescribed by a licensed medical practitioner.
- Has a minimum acceptable level of body fat composition, by age, according to the Cooper Standards at or above the 10th percentile.

DRUG TESTING - the City of Hilliard requires, as a condition of employment, that all qualified applicants being considered for City employment complete a post-offer, pre-employment drug screen prior to reporting for duty. Any conditional offer of employment is contingent upon, among other things, satisfactory completion of this screening and the City's determination that the applicant is capable of performing the responsibilities of the position offered.

It is the City's policy to schedule all persons who have received a conditional offer of employment for a pre-employment drug screen 72 hours prior to their scheduled date of hire. The 72-hour period begins on the date and time the applicant is scheduled for the drug screen.

The City will give further consideration only to those applicants with a conditional offer of employment whose drug screen results are "NEGATIVE."

On very rare occasions, an applicant's test result is "NEGATIVE-DILUTE." When this happens, the City will provide the applicant with one opportunity to retake the drug test. The retake test will be scheduled within the balance of the original 72-hour period.

The City's Human Resources Department will notify the applicant of the "NEGATIVE-DILUTE" test result by calling one, and only one, telephone number provided by the applicant. If the applicant is unavailable at the time of the call, a Human Resources representative will leave a message informing the applicant of the date and time of the retake test scheduled at the collection facility. Only the most extraordinary excuse will be considered for not reporting to the collection facility on the scheduled date and time of the retake test. Failure on the applicant's part to arrive on the scheduled date and time will typically result in the applicant's disqualification for employment. Time extensions will rarely be granted outside the original 72-hour period.

PSYCHOLOGICAL EVALUATION - A qualified psychological or psychiatric professional will conduct a complete and thorough psychological evaluation. Each candidate will be administered a variety of psychological tests and participate in a variety of procedures and exercises, the purpose of which will be to identify a variety of personality, emotional, and psychological characteristics, traits, qualities, attributes and tendencies. Candidates who possess identifiable personality, emotional, and psychological characteristics, traits, qualities, attributes or tendencies which, in the judgment of the consulting psychological or psychiatric professional reflect a significant potential for unacceptable or undesirable performance of the essential function of the job or would pose a direct threat to the candidate's own health or safety or that of others, will not be considered for employment. The following are unacceptable, undesirable, or inappropriate, and may result in revocation of the conditional employment offer:

- Antisocial behavioral patterns and attitudes.
- Quick-tempered.
- Inability/unwillingness to accept supervision and to carry out orders of a superior.
- Lack of compassion, sympathy.
- Low level of self-esteem or confidence or an inordinately high level of same.
- Inability to accept constructive criticism.
- Inability to deal with verbal abuse in a proper, effective manner.
- Inability to deal effectively with the stress inherent to police work.
- Racial, sexual, or other prejudices.
- Lack of good judgment or decision making.
- Inability to assume leadership roles.

COMPLETION OF BASIC TRAINING – Candidates must be able to satisfactorily complete a Basic Peace Officer Training Academy program selected by the City. This includes the requirement to pass, at the conclusion of the academy, the Cooper's Institute Standards for Law Enforcement at the level of physical performance that approximates the 50th percentile for each age and gender group. (See the attached addendum for these standards.) Failure to complete the Academy or dismissal from the Academy will result in termination of the employee's employment with the City of Hilliard.
