Hilliard Municipal Pools Group/Day Care Agreement

Our number one concern is the safety and wellbeing of all of our guests. Day Cares, Day Camps, and large groups frequently bring children to our outdoor pools during the summer. With hot weather and crowded days, we feel additional supervision of these children is imperative. Please make certain you have the required adult supervision before coming to the pool to avoid disappointment of group members.

- Children ages 4 years and younger must be within arm's reach of an adult at least 18 years or older in the water at all times. Usage by groups requires 1 adult supervisor for every 2 children ages 4 years and younger.
- Children in a flotation device must be within arm's reach of an adult at least 18 years or older in the water at all times. Usage by groups requires 1 adult supervisor for every 2 children wearing a flotation device.
- Children ages 5-13 years must be visually supervised by an adult at least 18 years and over at all times. Usage by groups requires 1 adult supervisor to every 5 children ages 5-13 years.
- Children ages 14 years and older may swim without an adult supervisor so long as they have completed a Rules and Use Agreement.

By Signing below, I certify that I understand and agree to adhere to the above policy. I understand that if I fail to adhere to this policy, I may be denied entry to the facility(ies), asked to leave without a refund and/or prohibited from returning to any Hilliard Municipal Pool facility with a group.
