All Notes issued upon any transfer or exchange shall be the valid obligations of the City, evidencing the same debt, and entitled to the same benefits under this Ordinance, as the Notes surrendered upon that transfer or exchange.

to the Depository or its authorized representative upon presentation and surrender of Notes as provided in this Ordinance. The Note Registrar may, with the approval of the City, enter into an agreement with the beneficial owner or registered owner of any Note in the custody of a Depository providing for making all payments to that owner of principal and interest on that Note or any portion thereof (other than any payment of the entire unpaid principal amount thereof) at a place and in a manner (including wire transfer of federal funds) other than as provided in this Ordinance, without prior presentation or surrender of the Note, upon any conditions which shall be satisfactory to the Note Registrar and to the City. The City may decide to discontinue use of the book-entry system through the Depository. In that event, Note certificates will be printed and delivered to the Depository. If any Depository determines not to continue to act as a depository for the Notes for use in a book-entry system, the City and the Note Registrar may attempt to establish a securities depository/book-entry relationship with another qualified Depository under this Ordinance. If the City and the Note Registrar do not or are unable to do so, the City and the Note Registrar, after the Note Registrar has made provision for notification of the beneficial owners by the then Depository, shall permit withdrawal of the Notes from the Depository and authenticate and deliver bond certificates in fully registered form to the assigns of the Depository or its nominee, all at the cost and expense (including costs of printing and delivering definitive Notes), if the event is not the result of action or inaction by the City or the Note Registrar, of those persons requesting such issuance.

SECTION 11. Ratings. Such transcript shall include certified copies of all proceedings and records of the Council relating to the power and authority of the City to issue the Notes and certificates as to matters within their knowledge or as shown by the books and records under their custody and control, including but not limited to a general certificate of the Clerk of Council and a no-litigation certificate of the City Manager and the Director of Finance, and such certified copies and certificates shall be deemed representations of the City as to the facts stated therein. Except for the procedure for authenticating the Notes set forth herein, documents (including this Ordinance) executed, scanned and transmitted electronically and electronic and digital signatures shall be deemed original signatures for said transcript of the Notes, for the purposes of this Ordinance, and for all matters related thereto, with any such scanned, electronic, and digital signatures having the same legal effect as original signatures.
