

November 11<sup>th</sup>, 2023

Team Managers/Captains,

Fall Season only has a few games left, and Winter Season is coming to town. We wanted to present you with the registration info before the chaos of the holiday season has you tree-mendously busy.

A few changes to note as we ring in the new year. Our registration process for all programs, including leagues will not follow two different dates.

Resident team registration on Monday, December 11<sup>th</sup> starting at 9am, and Non-Resident team registration on Thursday, December 14<sup>th</sup> starting at 9am. Resident teams are defined by those whose team are managed/captained by a Resident.

A Resident is considered anyone living or working within the City of Hilliard Cooperate Boundaries. *This is separate from those living within Hilliard City School District.* You can check your residency status through the [Franklin County Auditor website](#), under Tax Status>Tax District. If you are a Non-Resident that works within the cooperate boundaries, validation of City of Hilliard Income Tax being withdrawn from your pay will also qualify as a Resident, as seen on your most recent pay stub from your employer. **It is important prior to December 11th, to check with the front desk on your current household residency status.**

In addition to the registration days being separated, we also will have split rates for our Resident and Non-Resident teams with \$305 for our Residents and \$350 for our Non-Resident teams.

All Leagues will start the week of January 7<sup>th</sup> with leagues expecting to run 10-week regular season plus playoffs. **Please note this is subject to change based on the final number of teams registered.**

Game times for COED will be 1:00p, 2:30p, and 4:00p. Men's and Women's League game times will 6:15p and 7:45p. If either league has over 9 teams, we

will adjust game times to 5:50p, 7:20p, and 8:50p to accommodate the third game time.

Attached is the info sheet to help list the important dates and deadlines. Please be sure to read through to ensure you're aware of all the information for this season.

As always, please do not hesitate to reach out if you have questions.

Thank you,

**Darcy Baxter**

Program Supervisor
