

March 13, 2024

Team Managers/Captains,

Attention all adult volleyball enthusiasts! Get ready because Adult Volleyball Leagues are about to hit the scene with full force!

Listen up, resident teams, your chance to register kicks off on Monday, March 25th, starting at 9 am sharp! Non-resident teams, you're up next, with registration opening on Thursday, March 28th at 9 am. Remember, resident teams are those led by a resident captain.

Now, let's define "resident." Anyone living or working within the City of Hilliard Corporate Boundaries is in the game. This doesn't include those in the Hilliard City School District. Check your residency status on the Franklin County Auditor website under Tax Status > Tax District. Non-residents who work within our corporate boundaries, don't fret. Validation of City of Hilliard Income Tax withdrawal from your paycheck will also qualify you as a resident. Double-check your residency status with the front desk before December 11th, so there are no surprises.

Resident teams, it's \$305, and non-residents, it's \$350.

Mark your calendars because all leagues are set to launch the week of April 14th, with a thrilling 10-week regular season plus playoffs. Schedules are dependent on the final number of teams.

Game times? We've got you covered! COED leagues kick off at 1:00 pm, 2:30 pm, and 4:00 pm. For Men's and Women's Leagues, the action starts at 6:15 pm and 7:45 pm. If we're flooded with over 9 teams in either league, we'll adjust game times to 5:50 pm, 7:20 pm, and 8:50 pm to fit in that third game slot.

Refer to the info sheet for additional dates and deadlines. Don't hesitate to reach out if you have questions. Let's make this season one for books!

Thank you,

**Darcy Baxter**

Program Supervisor
