Friday, April 4th An Afternoon in Hilliard

Activity level: MODERATE

Join us for an afternoon exploring the charm of Hilliard! We'll begin with a leisurely shopping experience at some of the city's most unique and inviting shops, including Mak Home Furnishings, Birch Tree Home, The Urban Market, and The Happy Closet. Whether you're looking for home décor, stylish accessories, or the perfect gift, these local favorites offer something for everyone. After shopping, we'll unwind at **Firefly Winery**, a beautiful modern tasting room where you can sit back, relax, and enjoy a selection of expertly crafted wines and great food. The winery sources grapes from some of the finest vineyards in California, Washington State, and Upstate New York, with all wines made and bottled right on-site for exceptional quality. Enjoy a day of shopping, sipping, and socializing—all in the heart of Hilliard!

Thursday, April 17 Tour Rumpke Recycling and Lunch at Cap City Diner

Activity Level: Moderate

Join us for a guided walking tour of Rumpke's state-of-the-art recycling facility. During the tour, you will gain insight into the cutting-edge technology used to sort and separate recyclables. The experience also includes an overview of acceptable and unacceptable materials, an explanation of Rumpke's recycling operations, and an opportunity to ask questions. As part of our collaboration with COSI, the Rumpke Recycling & Resource Center in Columbus, OH, features a newly designed education center with interactive exhibits. The center provides a unique, hands-on learning experience, allowing visitors to explore the recycling process from start to finish—highlighting how everyday items are repurposed into new products.

Important Information:

Dress Code: Required: Sturdy, hard-soled, closed-toe shoes with backs (no sandals or heels). Recommendation: Long pants and long sleeves for comfort and safety. Visitors not adhering to the dress code will not be permitted inside the facility.

Health Considerations: The tour takes place in an industrial setting and may not be suitable for individuals with medical conditions sensitive to dust or noise. Please note that the facility contains strong magnets, which may interfere with certain medical devices.
