Dear Mr. Talentino:

The applicants respectfully withdraw the application in the referenced case. AEP Ohio Power Company deeply appreciates the collaboration with the Commission and its Staff, and remains available to further discuss the project should the Commission have additional questions. The applicants acknowledge that given the scope of the Ohio Power Siting Board certificate for the project, together with the existing and previously approved site plan on file with the City of Hilliard Planning and Zoning Commission, at this point no further review is necessary, therefore making withdrawal of the application in Case PZ-25-59 appropriate.

Please do not hesitate to contact me if you have any questions.

Respectfully submitted,

/s/ Hector Garcia
